

Rinnai Portable Convactor Avenger 6.9 kW

[Features](#) | [Suitable for](#) | [Compare](#) | [Technical](#)

Colour

White with grey louvres

Input

8.5-25 MJ/h

Output

2.4-6.9 kW

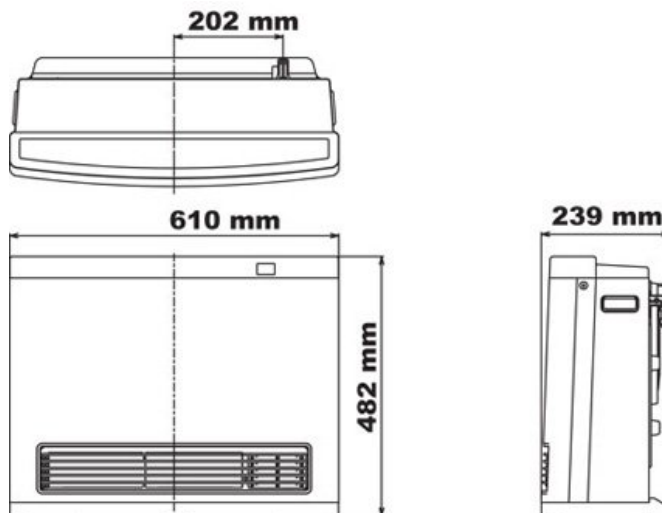

Efficiency

100%

Energy Star Rating

Burner	Ceramic surface combustion burner
Data plate	Lower right hand panel
Fan type	Multi speed fan
Gas control	Electronic control
Gas connection	Flexible gas hose with bayonet connection
Ignition system	Continuous spark electronic ignition
Noise level	41 dB(A)
Power consumption	16.5-27.5 W, standby < 0.8 W Power cord located lower right hand side of rear panel
Safety devices	Overheat switch, electric fuse, flame failure sensor, oxygen depletion sensor, tilt switch, and power failure
Weight	12 kg
Compliance	ES: Supplier Declaration of Compliance • Declaration Number: 7067200812
Market release	2007
