Upgrade your bathroom with this premium GROHE hand shower of the Power&Soul Cosmopolitan range, complete with shower rail and hose. The hand shower comes with four combinable spray patterns ranging from a warm summer rain sensation to an invigorating massage spray. The shower rail comprises our convenient TwistFree shower hose that will always stay in shape. To ensure a quick and hassle-free installation, GROHE has devised an intelligent system with wall-mounting brackets that can be adjusted on the 900 mm shower rail to use existing drill holes, reducing installation time and the risk of damaging your bathroom tiles.
